The sales staff are experienced in planning for all your catering needs, from boxed lunches for eight to executive meetings for 100 or more.

Where other places are trying to adapt their restaurant recipes for delivery and catering, we're not adapting at all—because we're caterers. Everything we chop, dice, mince, tenderize, boil, sauté, simmer, prepare, cook, arrange and plate we do with specially created, carefully studied and skillfully developed methods of preparation, safe transportation and temperature control so that whether you choose a salad, sandwich, soup, lasagna, vegetables or salmon, your food is perfect.

The Tasty Promise

Our experience has proven the value of clearly stating the basis of our relationship. We are a moral and ethical company attracting loyal customers who prefer high-quality food and service at a fair price. We do not pursue transactional relationships that are based on price only. Our ethical standards require us to provide an explanation of the parameters that allow us to provide high-quality food and service at a fair price to all.

Quality

We promise to use only superior-quality ingredients. During market price shifts, we will not purchase inferior quality items in order to protect our profit margins. Providing superior-quality ingredients at fair value pricing restricts our ability to discount except in cases where very large quantities are ordered. We promise to only employ quality staff who adhere to our core values.

Service

We are a service company that excels in the catering field. Our staff is screened for skill and hired for attitude. We are people-pleasers and are a customer-intimate company. To ensure high levels of service, we provide lifelong training to every member of our staff in order to improve your experience with our team. We recognize that there may be some cases where we are just not the right caterer for your needs.

Portions

Food and beverage portions are based on over 25 years of experience. Our chefs calibrate a slight overage into each order; however, please notify your sales representative if you expect larger than normal consumption or if there will be special dietary needs at your event. We do have the ability to provide food service for most dietary needs, as noted throughout the menu, or ask us for additional options.

Insurance

Tasty Catering and its clients are protected by the maximum recommended coverage in product liability, auto, worker's compensation and liquor liability insurance. Certificates of insurance are provided upon request. Clients who require to be named additional insured on our policies will incur a \$50 fee to cover that expense. Any additional insurance coverage requested by our clients will be at an additional expense to the client.

Price Increases

Some commodities may increase in price, while at the same time others may drop during the life cycle of a menu. Tasty Catering's chief procurement officer and our trustworthy vendors anticipate market price increases prior to menu publication. However, the economic market, the potential for inflation or recession, increasing fuel prices and food shortages could cause a need to raise prices. A price raise would only be implemented to protect the well-being of our staff, increases to our food, packaging and transportation costs and other such expenses.

Donations

Donations are requested almost daily from our great, giving clients. Unfortunately, it is impossible to satisfy all of them and keep our pricing at a fair value. If seeking a donation, please ask your sales rep for our donation policy. We invest a considerable amount of profit to our staff's family activities and to our community, and we are always grateful for the opportunity. Lists of other community beneficiaries are available if we cannot satisfy your request.

Permits

Tasty Catering has all necessary licenses and permits required for food and beverage service. Copies of licenses and permits can be emailed to our clients upon request. Specific events may require additional permits or licenses typically obtained by the client, though we can assist if necessary. Any additional expense will be explained to our clients before billing. Our liquor license and insurance require that our staff can only serve liquor products purchased through Tasty Catering. We are also not permitted to leave any alcoholic beverages upon our departure.

That's Caring

Gifts That Give Back

Many times in the corporate world, you'd like to send someone a gift to let them know you appreciate their partnership, recognize their loss or rejoice in their celebration. That's Caring not only has a variety of gift boxes that can give whatever message you'd like, but they are also dedicated to helping the community.

With the motto "Giving Happiness, Helping Hunger," That's Caring provides friends, co-workers and partners with delicious, high-end gifts while also providing a portion of the proceeds to ending childhood hunger. With their food bank partnership, children who live in food-insecure households receive a backpack filled with food for them to eat over the weekend, when they cannot depend on school meal programs.

YOUR THAT'S CARING GIFT CAN MAKE SOMEONE'S DAY WHILE ALSO MAKING A DIFFERENCE IN A CHILD'S LIFE.

Conditions

Deposits

Certain events require deposits to ensure service on that date. Once a time and date is reserved, Tasty Catering will reserve a crew and equipment for that event. The deposit, in part, covers those costs.

Drop-Off Residential

Drop-off residential events have a \$500 order minimum before tax and delivery. We require signed contracts five days prior to the event in order to guarantee service. If notice is given with less than five days, menu items are subject to availability. Changes to the guest count and cancellations will only be accepted during business hours up to two business days prior to the event. Changes or cancellations will not be accepted via email or fax. Payment is required in full by either credit or debit card and will be charged before the day of delivery.

Drop-Off Corporate

Corporate events have a \$100 order minimum before tax and delivery. Orders can be placed until 3:30 PM the business day prior to the event. Changes must be phoned into our office between 8:30 AM and 4:00 PM. Any changes made after 3:30 PM the day prior to your event will be charged a \$10 late change fee. Cancellations must be called into our office and confirmed by email. Food and beverage orders may be canceled, by telephone, without penalty, by 3:30 PM the business day prior to your event. Same-day cancellations will be charged full price.

Corporate events more than \$2,000 require a 50% deposit in order to guarantee service on your requested date. Payment in full is due prior to food service on your event date. Adjustments to your final guest count must be phoned in to our office by seven days prior to your event date. After that date, guest count decreases will not be accepted. Reasonable increases may be accepted up until 48 hours prior to your event. The deposit for equipment is non-refundable. Those items cannot be canceled. There is no cancellation policy once our services have been contracted.

Sales Tax

The current state sales tax, which includes home rule municipal tax, is charged on all items as per the Illinois Department of Revenue Code.

Delivery and Service Fees

In order to keep the pricing fair, delivery fees are additional variable expenses beyond the listed menu prices and are based on distance. The fee covers fuel, man-hours and equipment depreciation. Service fees charged for outdoor and special events are included in proposals and are based on the expectations of the client.

Outdoor and Special Events

Final guest counts are due ten days prior to the event. After that date, increases are accepted, but due to food, equipment and staffing, decreases are not. We understand that there are acts of God, family emergencies and other contributing factors that may lead to a cancellation after an event is contracted or confirmed. Outdoor events may be canceled six hours prior to food service. If the event is not re-booked, then the deposit will be refunded minus the cost of sub-contracted items and a 25% service fee. Special events, once contracted, cannot be canceled. Canceling more than 90 days prior to the event will result in the forfeiture of 25% of the deposit. Canceling less than 90 days prior to the event will result in forfeiture of the entire 50% deposit and the client will be responsible for any additional costs that Tasty Catering has incurred up until the point of cancellation, including but not limited to outside vendors, administration, planning hours and culinary costs.
